FEATURES

Cloud DVR

Cloud DVR allows you to store hours of HD content so you'll never have to worry about choosing what to delete! You can also record up to 10 channels at once. With Cloud DVR you'll never lose your saved content because of a DVR malfunction. Cloud DVR starts at just \$10 a month.

Restart TV

Restart TV gives you the ability to restart a program that is already in progress. If you're browsing channels and come across a show you wanted to watch but it's already begun, you can simply RESTART it and watch from the beginning. Just hop into your guide, find the show and hit the green button on your remote! Available FREE to all customers.

Pause TV

Need to get something done but don't want to miss a second of your favorite show? Just hit the "PAUSE" button on your remote and the show will wait for you! You can now pause a live show for up to 1 hour. Available for FREE to all customers.

watchTVeverywhere

With watchTVeverywhere you can stream some of your favorite channels to your tablet, smartphone, or laptop with an internet signal. Take advantage of this FREE service with your Rock Port Cablevision account. Choose "Rock Port Cablevision" on the drop-down menu and you'll need your account number (that can be found on your bill).
